Andaman Stargazing Trail 6 Nights 7 Days 6 Nights / 7 Days

Highlights

- Arrive in Sri Vijaya Puram & Chidiya Tapu sunset
- Baratang, Parrot Island & night sky
- Mayabunder & Karen-community country
- Long Island & Lalaji Bay
- Rangat coast & astrophotography evening
- Return to Sri Vijaya Puram

Day-wise itinerary

Day 1 - Arrive in Sri Vijaya Puram & Chidiya Tapu sunset

Route: Sri Vijaya Puram -> Chidiya Tapu

Stay: Sri Vijaya Puram

Meals: Breakfast

Airport pickup and hotel check-in. Later drive to Chidiya Tapu for the Munda Pahar / coastal nature zone and sunset. After dark, a stargazing session can be planned only if sky, cloud cover and local access are suitable.

Day 2 - Baratang, Parrot Island & night sky

Route: Sri Vijaya Puram -> Baratang

Stay: Baratang / nearby confirmed stay

Meals: Breakfast

Early start on the Andaman Trunk Road following current convoy and access rules. Continue through the Baratang sector, with mangrove/limestone-cave arrangements where operating. Late afternoon or evening can include Parrot Island where currently accessible, followed by a dark-sky session away from strong settlement lighting.

Day 3 - Mayabunder & Karen-community country

Route: Baratang -> Mayabunder

Stay: Mayabunder

Meals: Breakfast

Travel north to Mayabunder at an unhurried pace. Use the day for the Webi / Mayabunder landscape and locally available cultural experiences. Any community visit should be arranged respectfully and only with current local permission.

Day 4 - Long Island & Lalaji Bay

Route: Mayabunder / Rangat sector -> Long Island

Stay: Long Island

Meals: Breakfast

Connect to Long Island using the current road-and-boat combination. Continue to Lalaji Bay if local boat conditions, daylight and access allow. Overnight on Long Island keeps the day relaxed instead of forcing a same-day return.

Day 5 - Rangat coast & astrophotography evening

Route: Long Island -> Rangat

Stay: Rangat

Meals: Breakfast

Return to the Rangat sector. Visit a suitable coastal or mangrove area according to timing, then keep the evening free for an astrophotography-oriented session around a low-light location such as the Moricedera area when local conditions permit.

Day 6 - Return to Sri Vijaya Puram

Route: Rangat -> Sri Vijaya Puram

Stay: Sri Vijaya Puram

Meals: Breakfast

Road journey back to Sri Vijaya Puram with meal and comfort breaks. Keep the evening free for rest, local shopping or a light city programme rather than adding another long excursion.

Day 7 - Departure

Route: Sri Vijaya Puram

Stay:

Meals: Breakfast

Hotel checkout and transfer to Veer Savarkar International Airport according to the confirmed flight time.

Inclusions
