5 Nights / 6 Days

Highlights

- Arrival & Sippighat wetlands
- Shoal Bay & Ograbranj wetlands
- Chidiya Tapu full-day birding
- Mount Manipur forest & coastal return
- Target species / flexible repeat day
- Departure

Day-wise itinerary

Day 1 - Arrival & Sippighat wetlands

Route: Sri Vijaya Puram -> Sippighat

Stay: Sri Vijaya Puram

Meals: Breakfast

Airport pickup and hotel check-in. After lunch, visit Sippighat wetlands for the first birding session. If the group is comfortable after travel, a short night-birding session can be arranged at a suitable legal access point.

Day 2 - Shoal Bay & Ograbranj wetlands

Route: Sri Vijaya Puram -> Shoal Bay -> Ograbranj

Stay: Sri Vijaya Puram

Meals: Breakfast

Pre-dawn departure for Shoal Bay forest birding, followed by a midday rest. Continue to the Ograbranj wetland area in the late afternoon. Night birding is kept optional so fatigue and weather can be assessed on the day.

Day 3 - Chidiya Tapu full-day birding

Route: Sri Vijaya Puram -> Chidiya Tapu

Stay: Sri Vijaya Puram

Meals: Breakfast

Early start for forest-edge and coastal birding around Chidiya Tapu and the Biological Park area. Break during the hottest part of the day, then resume in the afternoon. Dusk is useful for a final session before returning to the hotel.

Day 4 - Mount Manipur forest & coastal return

Route: Sri Vijaya Puram -> Mount Manipur sector

Stay: Sri Vijaya Puram

Meals: Breakfast

Morning forest birding around the Mount Manipur sector, using only currently open trails. Return along the coast with stops where safe and practical for shorebirds and kingfishers.

Day 5 - Target species / flexible repeat day

Route: South Andaman

Stay: Sri Vijaya Puram

Meals: Breakfast

Use the final full day to revisit the site most useful for species missed earlier.

The guide can choose wetlands, forest edge or coastal habitat according to the group's sightings, weather and access.

Day 6 - Departure

Route: Sri Vijaya Puram

Stay:

Meals: Breakfast

Checkout and airport transfer. A short dawn session can be considered only when the flight time leaves a comfortable margin.
